

The background of the slide is a high-quality photograph of tea leaves being poured into water. The water is clear and green, with several tea leaves visible, some floating on the surface and others submerged, creating a dynamic and fresh visual. Bubbles are visible around the leaves.

JUPIN GOOD TEA

Flexible Solutions For Your Business Needs

Yimeiyuan Agricultural Development Co., Ltd

Company Profile 公司介绍

Yimeiyuan (Fujian) Agricultural Development Co., Ltd

Yimeiyuan was set up in 2003 in Fujian Province , is a comprehensive tea solutions provider, integrating tea planting, production, R&D, tea culture promotion and sales. The company has successfully developed independent brands such as Jupin Tea and Golden Tea Plant with a strong commitment to innovation and premium quality.

We have established partnerships with domestic tea plantation resources in regions including Wuyi, Anxi, Fuzhou , Fengqing , Xishuangbanna , Hangzhou , Hengzhou etc. We can offer variety of tea such as catering tea, tea bags, fruit and floral tea, kungfu tea and more. We can meet all your diverse needs and have built a comprehensive quality control system from raw materials to finished products through our professional tea tasters.

We cater to hundreds of domestic and global tea beverage brands, dedicated to providing customized tea flavor solutions for tea beverage brands, chain operators and startups. We develop tailor-made exclusive tea bases per customer needs to help partners secure a competitive edge in the market, and also offer full OEM & ODM services.

Factory Overview – Jupin Fuzhou Factory 福州工厂

Jupin's flagship factory in Fuzhou spans 40,000m² and integrates modern production capabilities with intelligent operations. Key features include:

- 17,000 tons annual production capacity
- 20,000m² of warehouse space for raw and finished tea products
- Complete production lines for primary processing, refined teas, flavored teas, and herbal tea blends

Factory Overview – Jupin Guangxi Factory 广西工厂

Located in Hengzhou City, Guangxi, the Jupin Guangxi Factory is a landmark facility with a total investment of ¥300 million.

The site spans 60,000m² and features 50,000m² of intelligent production space.

Designed as an integrated hub for production, R&D, and experience, the factory specializes in jasmine green tea and operates 5 enclosed jasmine processing lines, with an annual output capacity of 13,000 tons.

Jupin Yunnan Factory 云南工厂

The Jupin Yunnan Factory, which broke ground in 2025, is now fully operational in Simao, Yunnan Province. Spanning a total area of 60,000m² with an operational space of 100,000m², this state-of-the-art facility specializes in green tea base materials and premium Yunnan teas. With an annual capacity of 16,000 tons, the factory ensures complete traceability from source to cup, delivering excellence in every leaf.

Innovation & R&D System

Jupin redefines the integration of production and sensory experience through its advanced Tea Research Institute.

Guided by renowned tea scholars and flavor scientists from leading agricultural universities,

our R&D team blends technology with tradition. Utilizing a 32-step production protocol, we craft tailored tea bases to meet the diverse needs of strategic partners.
